Lusk Athletic Club

Lusk Athletic Club is a very vibrant and successful club that is operating in within the Lusk area. Currently membership of the club ranks at about 130 children and adults. Training of the athletes takes place in and around Lusk National School on Tuesday and Thursday nights at 7pm as well as some Saturdays.

The Little Athletics group caters for 40 children aged between 6 and 8 years. These sessions are very popular and we have to operate a waiting list. Older kids regularly take part in both training and competition at local, regional and national level.

A growing number of athletes are also training on a regular basis within the club for events like 5k, mini-marathons, and full marathons.
