Parent/Staff Communication Policy

Introductory Statement

This policy has been drafted to provide information and guidelines to parents and staff on parent/staff meetings and parent/staff communication in Lusk Junior National School St MacCullins. The family and home are central to the social and intellectual development of the child and the nurturing of good, moral values. The school and the family strive to be mutually supportive and respectful of each other so that the child's education can be effective. All the stakeholders aim to work for the benefit of the child and their learning.

Parents are encouraged to: -

- Develop close links with the school
- Participate in meetings in a positive and respectful manner, affirming the professional role of the staff and all staff members in the school.
- Collaborate with the school in developing the full potential of their children
- Share the responsibility of seeing that the school remains true to its ethos, values and distinctive character.
- Become actively involved in the school/parent association.
- Participate in policy and decision-making processes affecting them.

Structures in place to facilitate open communication & consultation with Parents

- Meeting for parents of new Junior Infant pupils - late May and early September
- New Junior Infant 'visit to school and classroom' in May/June of each year prior to commencement of school in September.
- Parent/teacher meetings one-to-one in November

- Parents receive school report of each pupil at the end of each school year
- Meetings with parents whose children have special needs or who are worried about their child's progress academically, socially, behaviourally, physically etc as part of the 'Continuum of Support' process.
- Through the Parents' Association, parents are invited to discuss and contribute to the drafting and review of all school policies. Decisions taken to change current policies and procedures or to introduce new ones will be made known to all parents in written format via the school newsletter and on the school website.
- Monthly newsletters keep parents up-to-date with school events, holidays and school concerns.
- The school website www.luskns.ie is used to keep parents up to date with all key activities taking place in the school.
- Text-a-Parent and 'Cadoo' is used to remind parents of events taking place in school
- Homework diary or teacher notes are used to relay messages which are signed between parents and teachers. Parents requested to sign diary each night to certify that homework has been completed.
- Parents are invited to events throughout the year e.g. sports events, school masses and school concerts
- Involvement of parents in the Religion "Alive O" and "Grow in Love" programme section for parents
- Participating in paired reading project or power hour or maths groups throughout the year

Parent/Teacher meetings

Formal Parent/Teacher meetings will be held once a year for all classes. Where possible, they will be held in the first term, in late November for all classes. They will be initiated by the school staff and details regarding time, etc. will be worked out by the class teacher, in consultation with parents. Parents will be given the opportunity to select preferred times on a note from the class teacher. The school will attempt to co-ordinate times where siblings are concerned. Meetings may take place in classrooms, support rooms or communally in the PE Hall. The teachers use prepared guidelines for the meetings and collaborate in advance about the progress of individual children. A short written record of the meeting is maintained by each teacher.

The purpose of the Parent/Teacher meeting is: -

- To establish and maintain good communication between the school and parents
- To let parents know how their children are progressing in school
- To help children realize that home and school are working together.
- To meet demands for accountability
- To review with the parent the child's experience of schooling
- To learn more about the child from the parent's perspective
- To learn more about parental opinions on what the school is doing
To identify ways in which parents can help their children
- To negotiate jointly decisions about the child's education
- To inform the parents of standardized test results according to school policy

Circular 56/2011 Initial Steps in the implementation of the national literacy and numeracy Strategy has been adopted by the Board of Management. References to parent/school communication are: -

Reporting to parents

Parents have the primary responsibility for their children's learning and development. Schools can strengthen the capacity of parents to support their children in this way by sharing meaningful information with parents about the progress that children are achieving in the education system. This information needs to draw on the different sources of evidence that staff use, such as conversations with the learner, data-collection and documented progress on objectives and milestones reached in their short and long-term planning, examination of students' own self-assessment data, documented observations of the learner's engagement with tasks, outcomes of other assessment tasks and tests, and examples of students' work. In turn, parents will often be able to enrich staff knowledge of their students' progress through providing further information about the students' learning at home.

Report card templates

The NCCA has provided a range of standard report templates to assist schools in reporting information about the progress of primary pupils to parents, including information from standardized tests.

The report cards provide for reporting in four key areas: -

- The child's learning and achievement across the curriculum
- The child's learning dispositions
- The child's social and personal development
- Ways in which parents can support their child's learning

Lusk JNS St MacCullins has adopted one of the NCCA report cards and uses it in its entirety.

Formal Meetings

Formal timetabled parent/teacher meetings take place in November. However, if a parent wishes to arrange a meeting at any stage during the year to discuss their child, they may do so by prior appointment.

- All communication sent from the school will be sent to the child's home address as given on the enrolment form, unless otherwise requested by parents.
- In the case of separated parents, requests can be made by both parents to meet their child's teacher(s) individually for parent/teacher meetings.

Formal Meetings - School Support Plus Plans

Formal timetabled parent/staff meetings on the subject of the pupils' **School Support Plan (where relevant and in line with the Continuum of Support)** will take place in September/October and January/February for children with complex additional needs. However, if a parent wishes to arrange a meeting at any stage during the year to discuss their child, they may do so by prior appointment.

Informal Parent/Staff Meetings

1. The school encourages communication between parents and staffs.
2. If a parent wishes to consult with a teacher, he/she can contact the school secretary to arrange a suitable time.

Meetings with the class teacher at the class door to discuss a child's concern/progress are discouraged on a number of grounds: -

- Staff cannot adequately supervise his/her class while at the same time speaking to a parent
- It is difficult to be discreet when so many children are close by.
- It can be embarrassing for a child when his/her parent is talking to staff at a classroom door.

It is vital that the school is immediately informed if family events/situations occur that cause anxiety to your

child and therefore may adversely affect his/her education.
In all matters pertaining to the wellbeing and education of pupils, only the parents/legal guardians named on the enrolment form will be consulted by staff.

If parents wish to drop in lunch boxes, sports gear etc, this can be done through the secretary's office, as it is important to keep class interruptions to a minimum.

Parents are strongly discouraged from taking pupils out of school during term time in order to facilitate family holidays.

Complaints Procedure

Complaints are infrequent but the school would wish that these would be dealt with informally, fairly and quickly. The following is the agreed complaints procedure to be followed in primary schools.

Stage 1 - informal stage

1. A parent/guardian who wishes to make a complaint should firstly, approach the **class teacher** with a view to resolving the complaint.
2. Where the parent/guardian is unable to resolve the complaint with the class teacher he/she should approach the **Principal** with a view to resolving it.
3. If the complaint is still unresolved, the parent/guardian should raise the matter with the **Chairperson** of the Board of Management with a view to resolving it.

Stage 2 - formal stage

1. If the complaint is still unresolved and the parent/guardian wishes to pursue the matter further he/she should lodge the complaint in writing with the Chairperson of the Board of Management
2. The Chairperson will bring the precise nature of the written complaint to the notice of the staff and seek to resolve the matter between the parties within 5 days of receipt of the written complaint.

Stage 3

1. If the complaint is not resolved informally, the Chairperson should, subject to the authorization of the Board: -
 - a. supply the staff with a copy of the written complaint and
 - b. arrange a meeting with the staff, and where applicable, the Principal with a view to resolving the complaint. Such a meeting should

take place within 10 days of receipt of the written complaint.

Stage 4

1. If the complaint is still not resolved, the Chairperson should make a formal report to the Board within 10 days of the meeting.
2. If the Board considers that the prima facie grounds of complaint have not been established, the staff and the complainant should be so informed within 3 days of the Board meeting.
3. If the Board considers that the complaint warrants further investigation, the following steps should be followed: -
 - a. The staff should be supplied with copies of any written evidence in support of the complaint
 - b. He/she should be requested to supply a written response to the complaint to the Board and should be afforded an opportunity to make a presentation to the Board and to be accompanied by another person to that meeting.
 - c. The Board may arrange a meeting with the complainant, who may be accompanied by another person to this meeting.

Stage 5

Following the Boards investigations, the Chairperson shall convey the decision of the Board in writing to the staff and the complainant within 5 days of the meeting of the Board. The decision of the Board shall be final.

Behaviour of all Stakeholders in the School

Positive and respectful communication is of high importance to our school. This not only extends to the children but to all of the stakeholders e.g. the staff, parents and the wider community. Anyone entering our building should feel safe to do so. While the behaviour of children in our school is of vital importance, adults in the school community also have a responsibility to ensure their own behaviour models the type of behaviour expected of children.

It is important that all stakeholders are responsible for their own behaviour in the school. Examples include: -

- All stakeholders are expected to speak to each other with respect. Shouting or other aggressive tones are not acceptable. If a stakeholder displays anger or

aggression to another member of the school community, they may be asked to remove themselves from the building.

- All stakeholders will treat our children with the utmost respect while on the premises
- Staff should not be asked to speak about another parent's child. The staff of the school will respect your child's right to privacy so it is asked that parents respect other children's rights to privacy.
- When stakeholders meet, it is important to respect that meetings should be kept to a reasonable amount of time. Times of meetings should be agreed beforehand and these should be respected.
- Staffs are generally available to listen to a quick issue in the morning and after school. However, should a parent need to have a discussion or meeting, an appointment should be made at a convenient time for both parties. This ensures that issues can be resolved. Classes begin at 8:50am and finish at 2.30pm and this time should not be interrupted.

Safety, Health and Welfare at Work

The Safety, Health and Welfare at Work Act became operative in 2005. It is an important piece of legislation for BOMs and for those who work in schools, as schools and colleges were brought under the scope of safety legislation for the first time.

It is recognized that school staff may be at risk from violence in the form of verbal abuse, threats, assaults or other forms of intimidation. This behavior may come from pupils, parents, guardians, other staff members or intruders.

In this respect, all staff should be aware of **DES Circular 40/97** which deals with the procedures to follow if they feel they have been subjected to any of the above behaviours.
